

# TART Trails Go Farther Fund

Gifts to the Go Farther Fund provide TART Trails with the flexibility needed to achieve our vision of happy, active people making connections through a world-class trail network. The Go Farther Fund is used to expand trail connections, pursue property acquisition opportunities, and tackle other critical, timely needs that enable us to thrive as an organization and create meaningful connections. Having funds available that provide us with the capacity to reach for opportunities as they arise are critical to the care and growth of the TART Trails network; helping us strive toward the ambitious goal of making every home a trailhead.

Go Farther Fund contributions are significant, flexible capital investments in TART Trails. Donations can be in the form of an immediate gift, or a multi-year pledge, and are tax deductible to the furthest extent of the law.

## TAKE TART TRAILS FURTHER
